Judge Nigro has indicated his desire to continue serving as the Municipal Judge for the City of Raymore. Under the prior two (2) year term, Judge Nigro was paid an annual compensation of \$18,838 for his service to the City. The negotiated compensation for the new two (2) year term will be \$20,838. At its December executive session, the City

Council instructed the City Manager to bring forth an ordinance seeking to extend the services of Judge Nigro for an additional two (2) year term, with the contemplated rate increase.
Bill 3941 has been prepared accordingly.

"AN ORDINANCE RE-APPOINTING ROSS NIGRO, JR. AS MUNICIPAL JUDGE FOR THE CITY OF RAYMORE."

WHEREAS, on the 4th of November, 1997, the people of Raymore, Missouri, did adopt a Charter form of government which provided among other provisions for the qualifications and duties as well as the appointment of a Municipal Judge; and,

WHEREAS, Section 7.2 of the Charter provides for the appointment qualifications, term, duties and provisions for compensation of the Municipal Judge; and,

WHEREAS, Ross Nigro, Jr. has served as Municipal Judge, showing character, judicial acumen, and fairness, and demonstrating that he possesses the qualifications prescribed in Section 7.2 of the Charter of the City of Raymore, Missouri; and,

WHEREAS, the Mayor deems it to be in the City's best interest to re-appoint Ross Nigro, Jr. to serve a fourth term of two years as Municipal Judge.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF RAYMORE, MISSOURI, AS FOLLOWS:

Section 1. Duties and Powers. The Municipal Judge shall perform said duties and powers as presently outlined for the Municipal Judge in the Charter of the City of Raymore, ordinances and the Missouri State Statutes.

Section 2. Re-Appointment. The City Council of Raymore, Missouri, by a majority of three-fourths (3/4) of all of its members, consents to the Mayor's re-appointment of Ross Nigro, Jr. as Municipal Judge for the City of Raymore, Missouri, for a term beginning March 1, 2025, and continuing thereafter for a term of two (2) years.

Section 3. Compensation. The compensation of the Municipal Judge shall be \$20,838 per year during the term. Compensation of the Municipal Judge is not dependent in any way upon the number of cases tried, the number of guilty verdicts reached or the amount of fines imposed or collected. No change in compensation of the Municipal Judge will become effective during the term of office. The Municipal Judge is an employee of the City whose compensation shall be payable on the same payroll schedule as all other City employees.

Section 4. Effective Date. The effective date of approval of this Ordinance shall be coincidental with the Mayor's signature and attestation by the City Clerk.

Section 5. Severability. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional by any

TOTAL TRACT SIZE	NUMBER OF LOTS
2.2 acres	2

PAST PLANNING ACTIONS -

- The subject property was initially built as a Ryan's Steakhouse. The initial site plan for Ryan's Restaurant was approved by the City in 1995.
- In 2010 the City approved the Raymore Galleria North First Final Plat. This plat included the right-of-way for the relocation of Kentucky Road to align with the access drive to the Raymore Galleria shopping center on the south side of 58 Highway (which provides access to Lowe's, Whataburger, Codes Dispensary, etc...)
- In 2016 the City of Raymore completed construction of an access drive from the northeast portion of the subject property parking lot to connect with relocated Kentucky Road (Westgate Drive). This access drive allows users of the subject property parking lot to access Westgate Drive and the traffic signal on 58 Highway.
- In 2020, the City completed the construction of Westgate Drive to the east of the subject property, which provides improved access to the signal at Westgate Drive and 58 Highway.
- The site development plan for the Chick Fil A was approved on March 19, 2024 by the Planning and Zoning Commission.

DEVELOPMENT STANDARDS -

The Bulk and Dimensional Standards for the existing and proposed zoning districts are as follows:

DIMENSIONAL STANDARD	MINIMUM REQUIREMENT
Lot Size	2,000 sq. ft.
Lot Width x Lot Depth	100 ft. x 100 ft.
Front-Yard Setback	30 ft.
Side-Yard Setback	10 ft.

Side-Yard Setback (abutting residential district)	15 ft.
Rear-Yard Setback	20 ft.
Building Height	80 ft
Building Coverage	40%

STAFF COMMENTS -

PLANNING AND ZONING -

- This property is an ongoing re-development project for the City. At the time of the initial construction of the Ryan's Steakhouse, final plats were not required as part of the building permitting process, thus no formal or recorded final plat exists.
- The final plat is being approved to formalize the official boundaries of the subject property, including several pre-existing easements, and new easements that were needed due to the construction of Chick Fil A on Lot 1.
- With the redevelopment of the property, the applicant and owner are proposing to create an additional lot for future development.

ALIGNMENT WITH GROWTH MANAGEMENT PLAN -

Growth Management Plan - The Future Land Use Plan Map designates this property as appropriate for commercial development.

Major Street Plan - The Major Thoroughfare Plan Map classifies Kentucky Road as a Minor Arterial and 58 Highway/Foxwood Drive as a Major Arterial.

FINDINGS OF FACT -

Under Section 470.130 of the Unified Development Code, the Planning and Zoning Commission and City Council are directed concerning its actions in the deliberation of a final plat request, in that the Planning and Zoning Commission will recommend approval and the City Council will approve the final plat if it finds the final plat:

1. Is substantially the same as the approved preliminary plat.

The subject property is a redevelopment of a former commercial restaurant occupying a singular underutilized lot. The subject property has been un platted since it was originally annexed into the City, therefore no preliminary plat was required at the time. The final plat application for the subject property will formally plat a pre-existing property, bringing it into compliance with the regulations of the City of Raymore.

2. Complies with all conditions, restrictions and requirements of this Code and of all other applicable ordinances and design standards of the City.

The proposed final plat does comply with all relevant requirements of the Unified Development Code.

3. Complies with any condition that may have been attached to the approval of the preliminary plat.

There are no conditions attached to the preliminary plat. The property includes several pre-existing easements for access, utilities, and signage, as well as new easements required as a result of new development, all of which have been retained and properly documented on the final plat.

STAFF RECOMMENDATIONS -

Staff recommends that the Planning and Zoning Commission accept the proposed findings of fact and forward Case No. 25004 Raymore Gateway Final Plat to the City Council with a recommendation of approval.
